# RECOVERY OF WHITE SHARKS OFF CALIFORNIA AND WHAT THAT MEANS FOR COASTAL COMMUNITIES

*A public webinar with Dr. Chris Lowe  
Professor, Cal State Long Beach*

As beach season begins in Santa Barbara, join renowned shark expert, Dr. Chris Lowe, and Santa Barbara County Parks Aquatics Supervisor Jon Menzies for a conversation about the science of Southern California's white sharks, ways to stay safe at the beach, and methods for notifying the public of shark sightings and encounters.

**MAY 19TH, 2020 • 5:30 PM TO 6:30 PM •**

**Register at: [bit.ly/2AiTuAI](https://bit.ly/2AiTuAI)**

Dr. Chris Lowe, Professor  
Director of the Shark Lab  
California State University, Long Beach
